

AICE Literature Summer Assignment

Read and analyze To Kill a Mockingbird

I would like for you to reread TKAM annotating the normal stuff (unknown vocab, literary devices, questions, comments, and chapter summaries.) One addition is to compare the events in the novel to events occurring in the United States in the 1960s. You will need to research, briefly, the 1960s and major issues/events that were happening. I would then like you to annotate how those events are portrayed in the novel.

Books to Purchase for next year: (Please purchase these copies so we will all be on the same page in our discussions.)
